

## General information

Please find a contract, terms of conditions and a 3 page questionnaire. I know this looks like a lot of forms, but this will ensure that your dog(s) are receiving the best care possible whilst you are away.

After filling out the forms please bring them with you when you drop your dog off. I will go over the forms either beforehand if I have them or I will go over them with you when you drop your dog off. If you bring the forms with you please allow yourself some extra time in case I have any questions.

You are welcome to bring whatever you feel will make your pet's stay more comfortable for him/her, for example, bed/bedding/crates, toys and treats.

I will not accept any aggressive dogs. I have dogs myself who are very social so it is important that a meeting is organised prior to boarding so that I can assess your dog with mine. I have the right to refuse boarding if your dog shows any aggression towards dogs or humans.

Your dog must be able to cope being left alone with my dogs. **This will be no later than 3 hours.**

If you have any questions or concerns please do not hesitate to call me on 07956 030597 or email [woofingtonlodge@gmail.com](mailto:woofingtonlodge@gmail.com)
